

## Perkins Data Validation Form School Year 2005-2006

This form must be signed by a school administrator or the person responsible for submitting the required Perkins data: Student Enrollment, Program Completers, and Standards and Measures. Receipt of correct, validated data will determine continued Perkins funding of approved career and technical education programs. The Annual Perkins Program Approval application due March 1, 2007, also requires validation that required Perkins data have been entered. The General Assurances form signed for the Perkins Application budget requests states: "Statistical data (Student Enrollment Data, Completer Data, Standards and Measures) and financial and descriptive reports required by the Office of Career and Technical Education will be submitted on time."

This validation is also being required by OCTE to satisfy state audit requirements.

This form signifies that data entered for approved Career and Technical Education programs at your school/multi-district for 2005-2006 are accurate, valid, and reliable.
